

COYOTE® Closure End Plate Grommets

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

A family of **COYOTE Closure End Plate Grommets** is available to expand the capacity of the COYOTE Closure Three-Section End Plate for applications with smaller diameter or insulated ground wires. The grommets are designed to provide up to three cable entries for standard “A” Port (7/8") and “B” Port (3/4") cable entries.

Features

- Manufactured from a weather-resistant urethane material that is designed to ensure a tight and permanent seal.
- A Silicone Sealant is provided to lubricate the grommet and cables for easy installation.
- The entry holes in the multi-entry grommets are covered with a thin layer of urethane material to provide a choice of which entries are to be used for future cable entries.
