

PREFORMED™ Lashing Rod

Weight: 0.00kg
Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

Preformed™ Lashing Rods can be used on all types of messengered overhead cables. They are particularly adaptable to spans obstructed by trees, short spans over traffic intersections, or repairing existing installations. Once applied they provide a permanently snug and secure fit. The factory preformed helical rods have an overall low cost with simple installation that requires no special tools or lashing machines.
