

Cable Riser Insulator

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

DONUT™ Cable Riser Insulators support riser cables in conjunction with mounting brackets.

Features

- The material is black, UV stabilized, and flame-retardant rigid thermoset urethane.
- Fits a 2.5" (nominal) diameter cable.
- Smaller diameter cables can be accommodated by using elastomeric filler tubes.
