

# FIBERLIGN<sup>®</sup> Downlead Cushion for OPGW or ADSS

**Weight:** 0.00kg

**Dimensions:** 0.00cm x 0.00cm x 0.00cm

## **Description**

The **FIBERLIGN<sup>®</sup> Downlead Cushion** secures Optical Ground Wire (OPGW) downleads or ADSS cable downleads to structures while minimizing compressive clamping forces which could be transferred to the optical elements.
