

VINE-LINE[®] Connector

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

VINE-LINE Connectors can be used to anchor dead-end stake props and dead-man anchors in any trellising system. With two VINE-LINE Connectors, cut trellis wire can be spliced. Trellised crops produce higher yields and the lowcost, long-life, field-proven VINE-LINE Connector can play a big part in keeping trellising costs low.
