

# I-String Assembly - Tangent Suspension, Twin-Bundle Conductor, 25K

**Weight:** 0.00kg

**Dimensions:** 0.00cm x 0.00cm x 0.00cm

## **Description**

PLP **Tangent Suspension String Assemblies** support the conductor as it runs tangent to the structure. I-String or V-String configurations can be designed to accommodate specified insulator strength, bundling configuration, bundle spacing, and other features.
