

COYOTE® Access Solutions™ Products

COYOTE Splice Trays

User friendly splice trays for all applications

Five types of standard splice trays are available, four for single fiber splices and one for mass fiber splices.

These injection-molded trays have hinged, clear plastic covers for maximum fiber protection that allows for visible inspection of the fibers.

A series of tabs along the tray perimeter are easily removed to simplify routing of the fiber. When replaced, they retain the fiber.

COYOTE Splice Trays for single and mass fiber.

COYOTE Splice Trays	
Catalog Number	Description
80807701	12 Count Low Profile Tray w/plastic splice block – single fusion splices
