

COYOTE[®] Stainless Steel Splice Case for OPGW

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

The **COYOTE Stainless Steel Splice Case for OPGW** combines the field-proven performance of the ARMADILLO[®] Stainless Steel Splice Case with the high capacity and craft-friendly COYOTE Fiber Management System. Designed for OPGW types with flexible plastic buffer tubes, the COYOTE Stainless Steel Splice Case provides dependable protection of fiber optic splices in the harshest of environments to create a durable and dependable splice case for protecting fiber optic splices in the harshest of environments.

Features

- Impact and corrosion-resistant stainless steel shells
- LOCKBAR[™] Fastener System allows re-entry without specialty kits/supplies
- High cable pull-out strength with LOCK-TAPE[™] Sealant System
- Fiber organizer system for routing plastic buffer tubes
- Accommodates long COYOTE Splice Trays
- Standard splice case kits include the necessary materials for preparing, routing, and splicing OPGW cables up to 36 splices
- Standard splice case kits are designed for butt-style applications and include one blank two-section end plate and one field-drilled three-section end plate for installing up to four OPGW cables or a combination of OPGW and ADSS
- For applications with stainless steel buffer tubes, contact PLP

COYOTE Splice Case Kits for OPGW and ADSS

Catalog Number	Description
8006654	6.5" x 28" COYOTE® Splice Case for ADSS or OPGW.* Includes Splice Case Kit, Green Sealant Kit (Catalog Number 8003411), one 36-count Splice Tray (Catalog Number 80805514), one blank End Plate, and one Three-Section End Plate (field drilled for specific cable configurations and ODs) and L-Brackets for strength member tie-off.
8003092	Fusion Splice Protector. Hinged plastic protector closes onto fusion splice area. The protector fits snugly into elastomer splice blocks. (Catalog Number 80805514). Twenty (20) units per package.
80804983	Three-Section End Plate Kit for 6.5" (165) COYOTE Splice Cases. Field drilling required.
8003421	3/4" (19) Field-Installed Future Port/Cable Installation Kit [0.80" (20) maximum cable]. Kit includes Future Cable Port (Catalog Number 8003412) and Future Cable Preparation Kit (Catalog Number 8003420) which can be ordered separately.
8003422	1.0" (25) Field-Installed Future Port/Cable Installation Kit [1.0" (25) maximum cable]. Kit includes Future Cable Port (Catalog Number 8003413) and Future Cable Preparation Kit (Catalog Number 8003420) which can be ordered separately.
* Catalog Number 8006654 is suitable for OPGW cable with plastic loose tube buffer tubes that can be brought into the 36 count splice trays. Other metallic non-flexible buffer tubes may require a transition compartment. Contact PLP for more information.	
Mounting Hardware Kits	
8003472	Vertical Mounting Bracket for 6.5", 8", and 9.5" (165, 203, and 241) COYOTE Splice Cases. Includes two brackets and associated hardware (curved or flat surfaces).
8003491	COYOTE Defender with Mounting Bracket Kit for the COYOTE 6.5 x 22", 6.5 x 28", and 9.5 x 28" Splice Cases
8003569	SLACKLOOP® Adjustable Spool Cable Storage
80061195	SLACKLOOP® 60" Cable Storage
LTC-1	Lattice Tower Clamp Kit with 6" Long Bolt

Accessories

8003092	Fusion Splice Protector. Hinged plastic protector closes onto fusion splice area. The protector fits snugly into elastomer splice blocks (Cat. No. 80805514). Twenty (20) units per package.
80804986	Three-Section End Plate Kit for 6.5" (165) COYOTE Splice Cases. Field drilling required.
8003421	3/4" (19) Field-Installed Future Port/Cable Installation Kit [0.80" (20) max. cable]. Kit includes Future Cable Port (Cat. No. 8003412) and Future Cable Preparation Kit (Cat No. 8003420) which can be ordered separately.
8003422	1.0" (25) Field-Installed Future Port/Cable Installation Kit [1.0" (25) max. cable]. Kit includes Future Cable Port (Cat. No. 8003413) and Future Cable Preparation Kit (Cat No. 8003420) which can be ordered separately.

Mounting Hardware Kits

8003472	Vertical Mounting Bracket for 6.5", 8" and 9.5" (165, 203, and 241) COYOTE Splice Cases. Includes two brackets and associated hardware (curved or flat surfaces).
