

COYOTE[®] DTC

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

"Versatile, compact and quick to install" is the response when asked to describe the **COYOTE DTC**. The closure's compact size and rugged exterior is designed to allow for installation in tight spaces without compromising functionality. Four corner entrance ports provide the installer the flexibility to quickly configure the closure as needed.
