

# Pressure Wrap Collar

**Weight:** 0.00kg

**Dimensions:** 0.00cm x 0.00cm x 0.00cm

## **Description**

The **Pressure Wrap Collar** is used with the Pressure Wrap Kit for branch or multi-cable entries. The Pressure Wrap Kit, when used in conjunction with either the REDDI™ Seal or ARMADILLO® Stainless, forces the encapsulant into the splice and up into the cable core.
