

COYOTE[®] HD Dome Closure

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

The **COYOTE[®] HD Dome Closure** offers an alternative fiber organizer to support high density splice applications within the same footprint as our existing 9.5" x 28" COYOTE Dome Closure. The new organizer architecture provides open access for fiber routing, reduces cable sheath openings and simplifies assembly; all factors that save you time and money. When combined with PLP's patented segmented end plate design, the new closure system offers the ultimate level of flexibility to address your complex network needs.
