

USER INSTRUCTIONS

BIRD GUARD 1m (BG 1000)

Be sure to read and completely understand this procedure before applying product. Be sure to select the proper PREFORMED product before application.

Requirements

- 2X BG500 BIRD GUARD
- STAINLESS STEEL STRAPS (SUPPLIED SEPERATELY)
- STRAPPING BUCKLES (SUPPLIED SEPARATELY)

Step #1

Locate the slot end of one BG500 and the tab of the other BG500.

Step #2

Insert the tab of one BG500 into the slot of the other BG500 by slightly angling the BG500 with the tab before applying pressure.

Step #3

Once partially inserted, apply pressure to fully insert the tab into the slot – locking the 2 BG500's in place.

Step #4

Prepare the desired amount of Stainless steel strap (minimum 2 straps per BG1000)

Step #3

Strap the BG1000 to the angle iron. Choosing which securing method to use based on the angle iron orientation. Fasten the straps using the desired fastening method.

Inside angle iron orientation

Stainless steel straps are fastened over the BG, through the verticals, and around the angle iron.

On top of Inside angle iron orientation

Stainless steel straps are fastened through the honeycomb base design and around the angle iron.

SAFETY CONSIDERATIONS

This application procedure is not intended to supersede any company construction or safety standards. This procedure is offered only to illustrate safe application for the individual. **FAILURE TO FOLLOW THESE PROCEDURES MAY RESULT IN PERSONAL INJURY OR DEATH.**

Do not modify this product under any circumstances.

This product is intended for use by trained technicians only. **This product should not be used by anyone who is not familiar with, and not trained to use it.**

When working in the area of energized lines, extra care should be taken to prevent accidental electrical contact.

For proper performance and personal safety, be sure to select the proper size PREFORMED™ product before application.

PREFORMED products are precision devices. To insure proper performance, they should be stored in cartons under cover and handled carefully.
